

CCTV Media Evidence Bags

KeepSafe Media Evidence bags internal size 142mm x 242mm, Gold closure + header printed with CJ Act panel and barcode URN

These evidence bags are tamper evident, and big enough to fit a standard DVD case. Not only do they preserve the integrity of the evidence but they also protect the officers from accusations of tampering. If a bag is opened for examination it should then be rebagged with the the old bag to preserve the chain of evidence.

Tamper-evident to all known methods of attack including

- Opening at room temperature
- Extreme temperatures
- Solvents
- Pre-tampering
- Tape removal

Methods of attack are signalled by the appearance of a hidden STOP message

All our products and services conform to the provisions of the current Data Protection Act.
